10th February 2017

Dear Parents and Carers,

Fourth Plinth Sculpture Competition 2017

This year at Upland Primary school we would like to send a selection of pupils entries to the Fourth Plinth sculpture competition for the Mayor of London. We would like all children to take the time over the half term holiday to allow inspiration to flow. The concept of the competition has been introduced to the children in a school assembly. In addition to the assembly all children would have had the opportunity to discuss the idea in class.

We would like all of our pupils to think of a design that they would like to place on the fourth plinth in Trafalgar Square. All children will then return to school with their simple design ideas or concepts where they will then further develop their sculpture design in class.

All designs will then be judged by Mrs Sengupta and one design per class will be chosen to be entered for the sculpture competition.

If your child's entry is chosen you will be notified before we submit the designs.

Please return all planning sheets by Monday 20th February 2017.

Thank you for support with this creative venture and we hope you have fun discussing ideas.

Yours faithfully

Mrs Jordan
Fern Class Teacher

Fourth Plinth Sculpture Competition 2017

Name.....

Class.....

Please return all planning sheets by Monday 20th February 2017.

Using **pencils** only, sketch and write about your sculpture ideas onto this planning sheet.
