

Meet the Governors

Hello my name is Malcolm, I am a parent and police officer with 30 years experience. It is really important to me to provide new opportunities for our children. Outward Bound is an excellent experience for your children to develop new skills.

My name is Paul and my background is in Local Government, managing libraries and culture. I am a parent governor with a special interest in pupil health and wellbeing including the move to increase participation in sport.

Governors' Newsletter

March 2018

Walking the Streets

Governors joined specialist "Walkability". Road safety training for Year 3 pupils this term.

We fully support this drive to help keep pupils safe as pedestrians and loved meeting Year 3 pupils and staff.

Sports at the Double

Governors were happy to agree an increased programme of sports and active learning since the Sports Premium funding was doubled this year to help pupils health and wellbeing. Especially good is the new lunchtime "Change4Life" activities and all the sports clubs at school

Governors Being Healthy

Several governors came to the recent Festival of Learning on Safety and Well-being. We went in to most classes and were impressed by how enthusiastic pupils and staff were about health as well as the range of projects on healthy eating and yoga amongst others.

Royal Festival Hall Choir

On the final day of this term, the governors will attend the Bird College Bexley primary Schools Choir performance at the Royal Festival Hall. We are really looking forward to seeing how well Upland pupils sing and observing the results of the strong music teaching at our school

Snow Closures

Chair of governors John Browning wants to thank premises and senior staff for keeping him informed at all times over the icy and freezing weather recently. Staff were at school trying to clear the site of snow soon after 6am and the school was closed only when conditions became too dangerous. Well done to all.

Governors Day Coming Up

Every year in the summer term, governors at Upland meet for the whole day to visit classes, see staff and pupils, discuss learning within school and plan how we can improve what we do for the next year. Please tell your class representative on the Upland Parent Partnership if you have anything to talk to staff and governors about.

Happy Easter holidays from the Upland Governors.
