Please do get your children to school on time.

Head Teacher's Message

Where has Spring term gone? It has been a really busy eventful term with lots of wonderful events taking place. It was an absolute honour taking the school forum to the Houses of Parliament and children were a credit to the school. So many members of the public commented on what a wonderful, intelligent and well behaved group of children they were. This was also the case when Year 2 visited the Tower of London. The assemblies this half term have been amazing the children have really showcased all of their learning.

Thank you to all of you who attended parents evening, it was lovely to talk to many of you. I do hope that between parents evening and the festival of learning, you were able to see all of your children's fabulous work. The displays in the school are incredible and again the children and staff have worked incredibly hard to show their achievements so far.

I am immensely proud to say that over the spring term both the Local Authority and an HMI Inspector have recognised all of the hard work that has been taking place at Upland primary School over the past 20 months. I would like to thank you as parents for all of your support, feedback and enthusiasm in ensuring your children receive a high quality education.

I hope you all have a wonderful Easter Break and I look forward to seeing you all on the 22nd April.

Kindest Regards

Ms Vicky Sengupta
