Dear Parents,

As you all know this was the first year that Upland admitted three classes into a reception year group. We had very little prior knowledge of approximately 50 percent of the children entering. Over the year, the team have worked hard to build relationships within each class and across all three classes.

A decision has been made to mix up the classes as they move on into year 1. Children, teachers and the Senior Leadership Team will all have an input into this. From Thursday staff in reception will begin to talk to the children about who they have formed friendships with and work well alongside. We will make every effort to ensure that the children's views are a priority, although we do need to maintain consistency across all three classes.

When you receive your child's end of year report, information about their new class and teacher will be enclosed.

Yours sincerely

Mrs B McKenzie
