Dear parents/carers

Parent workshop – positive behaviour management at home

I am pleased to announce that on Tuesday 26th March, I will be holding an after-school workshop for parents and carers of children in Reception and Year 1, with a focus on positively managing behaviour at home.

The session will be on Tuesday 26th March at 3.30pm and will last for one hour. If school-age children are with you, there will be provision for them for the duration of the workshop. Please note that there will be no crèche available, so this will be unsuitable for toddlers.

This session has been designed to support you with understanding how behaviour issues can be successfully addressed at home and I hope that you leave with some effective, tried and tested strategies that you can embed at home.

To indicate your attendance, please return the completed slip to the school office no later than Monday 18th March. I really hope that you will be able to attend and look forward to seeing you there.

Yours faithfully,

Mr R Howard
