29th September 2016

Dear Parents and Carers,

Natural History Museum – Year 6

Both Year 6 classes will be going on a trip to the Natural History Museum in London on Thursday 13th October 2016 to reinforce their science learning on evolution and inheritance.

At the museum, we will be visiting the Darwin Centre and the Dinosaur Gallery to allow the children to gain a deeper understanding of how animals and plants have evolved and adapted to their environments over time.

Entrance to the museum is free. We will be travelling there and back by train and tube, at no extra cost.

We will be leaving school promptly at 09.30am to get the train from Bexleyheath station and will be arriving back at school at 15.30pm (providing the trains are not delayed!). The school will inform you in advance if we are delayed.

Your child will be required to wear full school uniform, sensible walking shoes and a suitable waterproof coat and bring a packed lunch (no fizzy drinks or sweets are permitted).

Please return the permission slip below to confirm that your child will be coming on the trip.

We will need helpers to accompany us on the trip however any volunteers will need to pay for their own travel.

Yours sincerely

Miss Saunders
Science teacher

Year 6 Visit to Natural History Museum

Child's name and class: _____

I give permission for my child to attend the trip to the Natural History Museum.

I am*/am not* able to accompany the trip

Signed (parent/carer).....Date.....
