Friday 6th January 2017

Dear Parents and Carers of Bumblebee and Caterpillars,

Welcome back to you all and a happy new year.

I am writing to you in order to give you a staffing update for Bumblebee and Caterpillar classes. As you know, Jane Hull has been off and Sue Winter our Nursery Class Teacher moved across to cover the class. The school have been informed that Jane will continue to be off for the following half term. Unfortunately, we are unable to provide you with any further information of when Jane will return.

In order to minimise disruption and ensure that the children continue to receive a high quality education, the school have made the decision that Sue Winter will remain teaching Caterpillars class for the rest of the academic year. Sue has become very familiar with the children during the time spent with the class last term.

This week, we have secured a very experienced Nursery Class Teacher, Julie Dutton, to teach Bumblebee class. Not only does Julie come with a wealth of experience, she is an old colleague of Karen's and as a school we are confident that the terrific practice in Nursery will continue. She has already visited the school and met some of the children, received information and is eager to get started on Monday 9th January.

As a school we understand that parents want to ensure that their children receive stability and consistency, we thank you in advance for your cooperation and understanding in this matter.

We will continue to keep you informed of any information that we receive.

Yours sincerely,

Mrs B Mckenzie
Deputy Head Teacher
