15 June 2017

Dear Parents and Carers,

As part of the transition between Nursery and Reception, we would like the children to begin coming into Nursery independently.

From Tuesday 20th June we would like you to leave your child with us at the Nursery door. The Nursery team will support the children to change their books and move their Bumblebee names.

Thank you for your support as we prepare the children for a smooth start in September.

Kind regards,

The Nursery Team
