Dear Parents and Carers,

The school is constantly exploring ways so that we can improve, evaluating what we do and celebrating success. The parental survey attached is one of the ways that we can gather this information.

The questions are drawn largely from the parents' questionnaire that is used by Ofsted on their Parent View website with some additional questions to construct a more extensive questionnaire.

Over the coming weeks your children will also be completing questionnaires so that the school can gather as much information as we can from all stakeholders.

Please help us by completing the questionnaire overleaf and returning it to the office by Monday 21st November.

We look forward to receiving and sharing the results with you.

Yours sincerely,

Mrs B McKenzie

Deputy Head Teacher
