

Reception Homework - Spring Term

Next week at school our Literacy focus will be based on the story,

'Lost and Found' by Oliver Jeffers.

The story centres around a boy who finds a penguin on his doorstep and his journey taking the penguin home to the South Pole.

We would like you, with your child, to find out all about penguins. This could include where they live, what they look like and what they eat.

Please help your child to present their findings. You can do this in any way you choose in the form of a model, labelled drawing / painting, sentence writing, making a poster etc... in fact the more creative the better!

Please return your child's Penguin homework to school during the week beginning 23.01.17

If you have any questions regarding the homework please ask a member of Reception Staff.

With thanks,
Sue and Jacqui
