20 June 2017

Dear Parents and Carers,

As part of our SRE (Sex and Relationships Education), issues relating to puberty, reproduction and healthy relationships will be taught to children in Years 5 and 6 at the end of the summer term.

These sessions will be accompanied by videos which help the children to understand the physical and emotional changes that take place as boys and girls go through puberty. They will also be taught about human reproduction in Year 6. The children will have the opportunity to ask any questions about this topic in a safe and valued environment.

For the purpose of some of the sessions, the children will be split into boys/girls where appropriate, whereby a male and female member of staff will be able to answer any questions.

I would therefore like to invite any parents wishing to view any of the materials to a meeting on Monday the 26th June at 9am, where there will be an opportunity to discuss any concerns you may have. Please complete and return the slip below to the office by Friday 23rd June if you would like to attend.

Kind regards,

Ms Saunders

SRE meeting for year 5 and 6 parents/carers

Child's name..... Class

I would like to attend the SRE meeting on 26th June 2017.

Signed Date

Please return this slip by Friday 23rd June if you would like to attend. Thank you.
