

Diary Dates 2017/2018

Dear Parents/Carers,

Here is the school calendar for the next academic year. This calendar has all of the pre-planned events allocated.

Please do make a note of all of the events relevant to your children on your calendar at home. All events are also on the school website. I urge you to ensure that your parent-mail details are all correct so that you receive all of the text and email correspondence.

We do not anticipate that any of these dates will be cancelled, however if we should need to change anything we will give families as much notice as possible.

In addition to this calendar there will be school trips arranged for classes, groups and clubs. Again we will give you as much notice as possible when these trips are arranged.

There may also be special events for charities and most certainly the Parents Association will also be planning some more wonderful events for the children. Again we will endeavour to keep you informed and as up to date as possible.

Please ensure you read the weekly newsletters each week as any changes and news will be posted on these.

Please note that there is still one INSET day to be allocated.

I do hope you find this calendar useful.

Thank you, once again for all of the support and dedication that you have shown to the Upland Primary Community.

I hope you all have a wonderful summer break.

Yours sincerely,

Mrs V Marsh
Executive Head Teacher

September
