# Upland Primary School Newsletter

Week 16: 11th January 2018

Welcome back to all our Upland pupils and a Happy New Year to all our parents & carers. Hopefully you all had a wonderful and restful Christmas break and our children are now all ready and raring to go into another new year. There are a lot of events and trips coming up this term so, as always, keep an eye out on the diary dates link on the homepage of the website and do read your weekly newsletters.

## Reminders

Just to remind us all after the Christmas lull...

- Please ensure your child's school dinner money is in credit.
- School meal patterns cannot be changed on a daily, ad hoc basis. Please make sure you have completed a meal pattern form and submitted it to the school office.
- It is cold and this first half of term so please remember to provide your child with coats, hats, scarves and gloves.
- The school day starts at **8.55am**. Children are expected to be in class and ready to learn by this time and so please aim to get here in plenty of time.

This weeks visit from Ofsted was an opportunity for the school to demonstrate the amazing attitudes pupils have and the progress made since it was last inspected. The outcome of the inspection will be shared with you in due course.

Remember the logo for updates on weather and school closures.

## Anti-bullying week

## Parents' evenings & FoL

This term we will have parents' evenings taking place on 26th and 28th Feb and our Festival of Learning on 15th Feb. We do encourage as many parents and carers as possible to attend these events as they are wonderful opportunities to see your children's work, speak

to teachers and to really get a feel of what is going on in the school and in classes. Please keep an eye out for the booking window to open for parents' evening at the beginning of February and try and keep a window of time free for Festival of Learning which is always at 2pm

## Toy prams

Please contact the school office if you have any loved and looked after but no longer wanted dolls prams that we could put to use in our play area.
