- 11th Mar—Y6 Outward Bound
- 15th Mar—Hawking class assembly
- 29th Mar—Fiennes class assembly

Please let us know if you do not receive Parent-Mails from the school or if you have had a change of Email address. As you know, a majority of our correspondence comes out via Email so it is imperative that we have up to date Email contacts for all of our parents and carers. If you ever experience difficulties receiving newsletters or correspondence from the school please remember that hard copies are always available from the foyer in reception.

Over the past few months, Capita SIMS have experienced difficulties migrating customer accounts to a new login system and this is why some parents & carers have been unable to log in or set up accounts. From Monday 21st January we will be sending out some registration guides for those of you who have been unable to log in. We will send the info out by Year group so over the next two weeks you will have all received the guides. Please let us know when you have tried to login so we know whether or not the new process is working.

Thank you.

From Coach Jack

Our netball team played Bedonwell school this week. The team played brilliantly and came out victorious with a 7-6 win. Our girls' football team played a three game tournament at Goals and won one, lost one and drew one.

Well done to all our sporty pupils this week, these are wonderful results.

Remember the logo for updates on weather and school closures.

Fortnite & online safety

As part of our ongoing commitment to online safety we wanted to let you know of some news

regarding the game Fortnite. There is a version of this already controversial game which is known as 'Strip Fortnite'. The finer details are a little in depth, especially if you are not up to speed with your Fortnite but we wanted to bring this to your attention so you are reminded of the fact that both these games and their inherent risks and dangers are ever evolving and that we all need to be vigilante.

Adverse weather

The warnings of snow in the air are beginning to crop up on weather reports. It is always unlikely that we get severe snow in this region and even more unlikely that the school would ever need to close as a result of bad weather but it is always good to be prepared. In the event of severe snowfall please check the school website. On the homepage, you can click on the [OpenCheck](#) logo for updates on all school closures and, if the decision is made to close the school, an announcement will be posted on the homepage by 7am.

Winter clothing

On the theme of cold weather we would like to remind parents and carers how

important it is to send your children in with everything they need to be wrapped up against the cold, including sensible coats, hats, gloves and scarves. Lost property has a tendency to grow at this time of the year with a huge number of these items so please label all clothing, both indoor wear AND outdoor wear.

The award for the best attendance this week

goes to:

R—Spiders

KS1—Storey

KS2—Hawking & Goodall
