- 11th Mar—Y6 Outward Bound
- 15th Mar—Hawking class assembly

School uniform

As you will know, we changed school uniform supplier last year to Tesco online. Tesco, themselves, are no longer providing uniform directly. You will now be able to purchase uniform in exactly the same way from **MY CLOTHING**. Please see the link below or refer to the letter which came out earlier this week.

<https://myclothing.com>

Being prepared for the day

The school would just like to remind parents & carers of the importance in being prepared for the day. We are starting to see a rise again in the number of bags, water bottles, PE kit etc being delivered to the office after the school day has begun. Please do ensure that your child has everything they need for the day when they arrive to school. Delivering items to classes throughout the day is disruptive to both the office and the children's learning.

Phone lines

Some of you may have experienced difficulties when calling into the school. We currently have a fault on one of our phone lines. BT are investigating and running some tests and we hope that all of our lines will be fully operational by the beginning of next week. Thank you for your patience while we work with BT to rectify the issue.

Arts Festival

Upland School along with Mini Masterworks will be hosting an art exhibition on 14th & 15th February. 

All the work included in the exhibition has been created by our Upland pupils and will be displayed in a fun and professional gallery style setting where parents & carers will have the opportunity to buy artwork. The exhibition will be open to KS1 pupils on Thursday 14th Feb and to KS2 pupils on Friday 15th Feb. Please refer to the letters sent out earlier this week for times and prices.

Parents' evening

Letters regarding parents' evening will be out next week. Please do make a note that the booking window to make your appointments will be open from Monday 4th February—Friday 15th February. You will not be able to make an

appointment until this window opens.

Mobile phones in school

We would like to remind parents & carers of Year 6 children that if your child brings a mobile phone to school, it must be handed in to the school office before they enter the main building. 

From Coach Jack

Our basketball team did themselves and the school proud at a tournament at Hurstmere this week. Winning 1 game and drawing and losing 2. They also won the Respect Award so a huge well done!

The award for the best attendance this week

goes to:

R—Spiders

KS1—Fiennes

KS2—Chamberlain

If you are not yet linked to SIMS Agora, there are hard copies of the edited user guide for parents & carers available from the office. Please do pick one up if you are yet to register.

Remember the logo for updates on weather and school closures.
