Monday 13th March 2017

Dear Year 5 Parents / Carers,

Y5 Outward Bound Celebration Assembly

This term's Festival of Learning will take place on Thursday 30th March and will be a combination of an Outward Bound Celebration and Enterprise Week. A separate letter has been sent to the whole school outlining the purpose and organisation of Enterprise Week.

Parents and carers are invited to a celebration assembly that will start at 1.45 pm. This will be the children's opportunity to share with you some memories and photographs from their week.

Following the assembly, from approx 2.30pm, you are invited to attend a special event that the year 5 children will be organising as part of Enterprise Week. Staff and pupils felt that it would be an ideal opportunity to harness some of the special memories that were made last week and incorporate them into Enterprise Week.

We look forward to seeing you at these events.

Yours sincerely,

Mrs B Mckenzie
Deputy Head teacher
