The Water Battle

Last year this was a wonderful way of celebrating the children's achievements and the children had a terrific time. Year 6 have expressed a desire for this to be repeated again, so let's hope the sun shines for what I think will now become an Upland tradition for year 6 leavers.

Parents and carers are welcome to join us from 12.00 PM on Friday 21st July, so that you can take some dry photographs and photographs of your child having fun on their final day at Upland. Once again, these photographs are for your personal use and should not be shared on social media. Parents will not be able to take part in the Water Battle and must remain in the designated area as the rest of the school will be at lunch break.

The children will be having an early lunch that day and will be dismissed, once registers have been taken, from the school field at 1.30 PM.

Children can bring in their own Super Soaker or equivalent water device but no water balloons or bombs. Children should also bring a change of clothing to go home in.

Yours sincerely,

Mrs B Mckenzie
