

Upland Primary School Newsletter

Week 10: 18th November 2016

Jobs week

What a fantastic week it's been! Every class has been visited this week by a variety of people, all with interesting jobs. Children have been introduced to an MP, pilot, firefighter, nurse, forensic scientist, prison officer, electrical engineer and many more occupations, with the opportunity to find out more about the work they do, It has

been a fascinating experience for the children and for the staff!

We would like to extend a very big thank you to everyone who has volunteered their time to visit Upland and share their experiences, inspiring our children's futures.

Moss visit to Tate Modern

Moss class were lucky enough to visit The Tate Modern on the 9th November to take part in an artist led workshop inside the gallery. It looks like the children enjoyed themselves.

Let it snow!

A few years ago it snowed in November, so this year we're prepared just in case! If we have heavy snow this winter, we will ask parents to visit the

Opencheck website (type 'LGFL Opencheck' into your search engine, or click the link on the homepage of our website). Select the local authority as 'Bexley' and pick Upland from the drop down menu, to see whether the school is open or not. Parents may prefer to call the automated service on 0208 408 7508 and enter our school number 3032009.
