Children's safety

We would like to remind parents and children that ball games should not be played anywhere near our car park. There was an incident recently where a ball rolled into the car park and a child could have been hurt. Please ensure you are vigilant.

Christmas Nativity

This week the children in the Foundation Stage performed their Christmas Nativity called 'The Inn Keeper's Breakfast'. The children did brilliantly learning their lines and all of the songs and it looked and sounded amazing! Well done to all of the children in Cat-

erpillars, Ladybirds and Bumblebees; we are very proud of you all.

Maths

Would you like to be able to help your child with Maths, times tables and make learning maths fun? There is a free course starting in January. Details are available on the website under the Parents/ Community links tab.
