## Christmas stamp design competition 2017

An opportunity has arisen for all children aged 4 to 11 to design a Christmas stamp to be used on millions of cards over the festive season. Only three times in the Royal Mail's

500 year history have children been given this opportunity. The theme is 'what Christmas means to you'. The design has to be hand drawn with no clipart or similar being used. All entries need to be back to school by Friday 10th March to Mrs Williams.

## Contact details

Please remember to keep the office up to date with your current email address and phone numbers. Thank you.

## Jewellery

Please remember that no jewellery is to be worn during PE. Earrings cannot be removed by staff, so if they are worn, children must be able to remove them themselves. Thank you.
