Week 26: 31st March 2017

Shard Visit

Year 4 were blessed with a glorious clear blue sky for their trip to

The Shard in London this week. They spent time taking in the spectacular views from the 72nd floor, identifying significant buildings which make up the capital city's landscape. Our guides for the tour were informative, teaching us about both the structure and building process of The Shard and what the building is used for. Our visit to The Shard has rounded off our topic work on famous buildings and architects to perfection.

Enterprise week and Festival of Learning

The children were all given £1 for Enterprise week and asked to come up with ways to make the money grow as much as they can. They have really enjoyed the challenge and come up with some fantastic ideas. We were so pleased to see so many parents/carers coming in to support the children. Thank you!

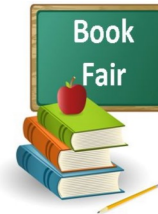

The award for the best attendance this week goes to

Class Earth and Class Fern

Well done!

Book fair

Thank you to all who contributed to us raising a staggering £640.45. This gives us an amazing £348.27 to spend on books for our school.

New menu

We have a new menu from 19th April. It has been sent home via parent mail and is also available on the website.

Happy Easter

We would like to wish everyone a fantastic Easter break and hope the Easter Bunny

comes to all! Please remember we return to school Wednesday 19th April.

Royal Festival Hall

The children have been practising very hard and their rehearsal on Wednesday at St Fidelis Primary School this week was fantastic. We would like to wish them all the best of luck at the Royal Festival Hall concert on Friday evening.
