Inset Day Change— General Election

Due to Theresa May's announcement this week to call a General Election on **Thursday 8th June**, we will now have our inset day on 8th June and not the 5th June as previously stated. We apologise for any inconvenience caused. Please make a note of this date change.

Enterprise / Festival of Learning Week

Thank you to everyone for supporting the children's 'Enterprise Event' just before the Easter holiday. There was a tremendous buzz at this event and the children excelled themselves. Everything has now been totted up, and we're delighted to announce that the event raised an impressive £886. Some of this will go to charity and some will be used by the children to make improvements to their classroom book corners.

The award for the best attendance this week goes to

Class Earth

Well done!

Royal Festival Hall

On 31st March some of our KS2 children went to perform at The Royal Festival Hall. We had children playing the violins, recorders, flutes, trumpets and clarinet and our choir children singing. It was a truly amazing night; the children were fantastic and made us very proud. We would also like to thank the teachers that gave up their time to help.

Clubs

Many of our clubs will restart for the summer term next week, so please ensure that your reply slips (and payment) are returned by the given deadline. Spare copies of the letters are available on the website or from the rack in reception.

And finally...

....welcome back to school; we hope you all had a relaxing Easter with lots of Easter Eggs. We look forward to the better weather and a very busy and happy Summer Term.
