- 4th Jan– children return to school
- 20th Jan- Fern class assembly 9am parents welcome
- 27th Jan- Bramble class assembly 9am parents welcome

Young writers poetry competition

In October, the children of KS1 entered the Young Writers poetry competition. The children spent a week learning about a range of poetic techniques which they then had to use to create a poem about a safari animal. We are pleased to announce that 93 of our children have been selected to be published in an upcoming poetry collection. All winners will receive a letter explaining what to do next and all the runners up have won a book-mark. A big well done to all the KS1 children!

Christmas Bazaar

What a fantastic PA Christmas Bazaar. Thank you to everyone who supported this lovely event. Well done to the PA and all the volunteers; it was a great success and we raised £1507.44 which is amazing!

The award for the best attendance this week goes to

Bramble class

Well done!

Kidzania

On Wednesday, children from years 4, 5 and 6 visited Kidzania. The children had a wonderful day and chose some terrific occupations to visit. They earned 1,196 'Kidzos' and used them to buy two board games for the school. This was an excellent end to the term bringing together lots of the skills covered during our recent Jobs Week.

Well done

Well done to Jamie Bennett and Alex Laing from class Neptune for raising over £80 for the charity Crisis. This was a homework task, where they worked collaboratively completing a sponsored run and organising a chocolate raffle at school. We are very proud of them.

Merry Christmas

Don't forget school closes at 1.30pm on Wednesday 21st December and we return on Wednesday 4th January 2017. Merry Christmas and a happy New Year.
