Upland Primary School Newsletter

Week 8: 3rd November 2017

WELCOME BACK TO SCHOOL

We hope you had an enjoyable and restful half term week and that the children are refreshed and ready and raring to go! This first newsletter will mainly be reminders so please do have a careful read through. Some of the issues mentioned in this week's newsletter, such as items for the day, dinner money and old £1 coins are particularly noteworthy.

Dinner money

Please ensure your child's dinner money is kept up to date. Dinners are **£2.40** per day (**£12 per week**). If your child's account falls into debt and you fail to pay the balance we will ask you to provide your child with a packed lunch until the debt is cleared.

Poppy Appeal

Poppies will be on sale at Upland from Monday 6th November. They will also be on sale to Year 6 parents during our Remembrance assembly on 10th November.

Congratulations

Congratulations to Farah class's teacher Miss Henderson who became Mrs Fleetwood during the half-term break.

Children's items for the day

Even though the mornings are hectic for all of us we would like to remind parents of the importance of sending your child to school with all the kit, equipment and paraphernalia they need for the day. The office is not always able to deal with large numbers of items such as water bottles, coats, PE kit, lunches etc being dropped off to be passed on to children. Please do help us by ensuring your child has everything they need for their day at school.

Parent View

We are letting parents/carers know that they can go on to the Ofsted Parent View site to share their opinions about our school. There is a short questionnaire for parents to complete. Your views and opinions are very welcome and appreciated.

Old £1 coins

Please be aware we are no longer able to accept old £1 coins in the office. If you have any old £1 coins, you can take them into your bank and they will change them up for you.

Here's to an action packed half term! It'll soon be time for you know who...

The award for the best attendance this week goes to
Peake Class
Well done!
