3:20pm
- 20th December—last
day of Autumn term.
School finishes at
1:30pm

Upland Primary School Newsletter

Week 9: 10th November 2017

Remembrance Assembly

This morning the year 6 pupils lead a moving Remembrance Assembly. Well done to all of the pupils for allowing the school to reflect in this way and thank you to the year 6 teaching team for structuring an assembly that showcased our pupils' wide range of talents.

Healthy snacks & Lunches

As a school, we have received our National Obesity figures for the current Year 1 and Year 7 pupils. While in line with the National figures there are areas in which we can improve. An increasing number of unhealthy snacks are being eaten at playtime and break times. I would like to remind parents that children should not be eating chocolate or crisps at break times. Children in KS1 and FSU are given a piece of fruit and children in KS2 can bring in a piece of fruit or healthy snack. Fruit Winders are not considered an acceptable alternative. Please do be mindful of the snacks and lunches you are providing your children.

Eagle Heights

Well, despite the cold, windy and wet weather, year 4 had a wonderful time at Eagle Heights this week. It's the first year Upland have visited Eagle Heights and it seemed to be a great success with the pupils. Many thanks to our parent and carer helpers on the day. We hope you've warmed up!

*The award for the best
attendance this week
goes to
Peake Class
Well done!*

School Trip Awards

On Thursday 9th November, Mr Langley and Mrs McKenzie attended the School Travel Awards in The Best School Trip category. These awards recognise the best venues, attractions and companies for educational visits so that teachers can organise first class experiences when it comes to learning outside the classroom. Our year 6 pupils wrote some terrific pieces reflecting on their Outward Bound experience and we are pleased to announce that we won! This is a tremendous achievement and really does validate how beneficial the experience is. Well done to your Year 6 pupils

Athletic Competition

Last Monday, Coach Jack took a team of Year 5 and 6 pupils to Townley Grammar School to take part in an indoor athletics competition. The children came away with the Determination Award and their determination was showcased particularly in the sprint events. It was a great evening of sport and the school are very proud of all the children who took part.

Have a lovely weekend.
