Snack bars in school

We would again like to remind parents and carers that cereal bars, snack bars and any other products which contain nuts are not permitted in school. This is an important issue as we have a number of students who suffer with nut allergies and, as children do, sometimes our pupils share their snacks and lunches, completely unaware of another child's intolerances. We ask parents and carers to support us in ensuring that these types of snack bars are no longer brought into school. Thank you.

Weather check

As the cold weather moves in we ask parents and carers to remember to check our school website or the LGFL OpenCheck website for any notifications regarding weather conditions and possible school closures.

KS2 Carol Concert

Don't forget to return your slips if you would like tickets for the KS2 Carol Concert at Christchurch. The concert is on 13th December at 6.30pm so get your slips in as soon as you can!

Year 6 football

Our Year 6 boys unfortunately lost their game 4-1 at Goals on Wednesday. They played very well but the opposition just edged it on the day! Well done boys and good luck to the girls' team who are playing next week.

Poetry writing workshop

Last week some children from Years 5 and 6 were lucky enough to take part in a poetry writing workshop at Bexleyheath library. During the day the children got to meet the poet Neal Zetter who spoke to the children about his books and inspired them to write their own poems.

PA Christmas shop

Many thanks to the PA who organised the Christmas shop today. They were inside and outside in the cold throughout the day. We hope everyone found a bargain!

Christmas letter

If you did not receive the Christmas letter via ParentMail last week then please do make sure you let us know or pop in to the school and grab one from the rack. The letter is packed full of dates for upcoming festive activities for all to enjoy so please do make sure you have a copy and have a made a note of all the dates!

Winter clothes

During these cold months please do make sure your child comes to school prepared with a decent winter coat, gloves and hats. Thank you.

24 more sleeps.....
