Guidelines regarding adverse weather

Just another reminder that over the winter months, when snowy and icy conditions are always possible please do keep an eye on our website for updates regarding school closures due to adverse weather conditions. You can also check on the LGFL OpenCheck site at www.opencheck.atomwide.com. This site is worth looking at now for information on apps and numbers available to check on the status of your child's school.

Upland Parent Partnership

Letters have gone out regarding the Upland Parent Partnership. Please do contact the school if you are interested in getting involved. You can express your interest via email to the admin email address on the school website or even drop a note into the office.

Christmas dates

Please check your copies of the Christmas letter or, if you do not yet have a copy, pick one up from the office. The next week is a busy one full of lots of events and activities and we wouldn't want any parents to miss out!

Christmas jumper & school lunch day

Don't forget that the 15th December is whole school lunch day AND Christmas jumper day so pupils need to bring their best festive attire and their holiday appetites to enjoy a fun filled day.

Girls' football

The girls football team played their round robin competition last night. The girls played three games, drawing 0-0 and losing 2-0 to Upton but beating Days Lane 1-0! The girls played brilliantly and it was wonderful for them to get their first win under their belts. Well done girls!

KS2 Christmas concert

The KS2 Christmas concert at Christ Church Bexleyheath is this Wednesday 13th December at

6.30pm. You should have your allocated tickets for the concert but if you requested tickets and have not yet received them please do let us know.

Have a lovely weekend.

17 more sleeps.....

The award for the best attendance this week

goes to

Bassey

Well done!
