Upland Primary School Newsletter

Week 21 5th March 2018

Welcome back... again

Welcome back for the second time this term! After the horrendous weather we are hoping, (fingers crossed), that the temperatures are only going to go up and that Spring will soon have sprung! Thank you to all our parents for their understanding over the last few difficult days while the snow and ice took a hold.

Nursery trip to Woodlands Farm

Due to the bad weather, The Nursery trips to Woodlands Farm have been re-scheduled to 13th March for am children and 14th March for pm children. We will need permission slips returned for the new date so if you haven't yet returned your slip for the new date please do so as soon as possible.

Year 3 Kent Life trip

Also due to the snow and storms, the Year 3 Kent Life trip has also been re-scheduled for 20th April. Letters went out on Tuesday 27th Feb with the new dates so please do get them into the office as soon as possible. Any payments made will carry over to the new date. Goodall class letters will be out today. They did not go home last week due to teacher absence.

Year 4 parents and carers should all now be using SIMS Agora to make payments for the children's school dinners. I am pleased to say that, so far, we have had no problems or issues with using the system to make payments. The system will be rolled out to Year 5 over the next week or two.

Fiennes class assembly

The weather also had an effect on Fiennes' Class assembly last week. We will be re-scheduling this and notifying parents in due course.

Royal Festival Hall Concert

The Royal Festival Hall Concert is on 29th March and Mr Gregory is currently in the process of organising all the rehearsals and

collection arrangements for the day of the concert. Bird College and the Royal Festival Hall are a little slow with confirming things so if, at any time, parents who have children involved in the concert feel they need a little more information, please catch Mr Gregory after Choir or Orchestra.

The award for the best attendance this week goes to

R—Caterpillars

KS1—Peake

KS2—McCartney

Well done!
