Upland Primary School Newsletter

Week 22: 9th March 2018

ParentMail mobile app

If any parents/carers are having problems receiving ParentMail correspondence from the school please download the ParentMail app. The team at ParentMail have advised that this is a much more reliable and easier way to receive emails rather than logging in via a web browser.

If you are a Year 4 parent/carer and have not yet activated your SIMS Agora account, your login code will have expired. If this is the case, please let the school office know and we will generate you a new login code. Year 5 parents/carers will receive letters with setup and login details in their children's book bags on Friday 16th March.

Change4Life Festival

A big well done to all the children who took part in the Change4Life Festival. The children had a lot of fun and were excellent representatives of the school. Thank you to all parents and carers for getting them to and from the festival.
