WELCOME BACK!!

Welcome back to all of our Upland parents/carers and children. We do hope you had a long, restful and relaxing summer and are ready and eager to get going into a new academic year.

The Autumn term is jam packed with events leading up to Christmas, (yes it isn't as far away as you think! 🦊) so here's to a great term ahead for everyone!

New parents/carers

An especially warm welcome to our new Reception parents/carers and children. A big adventure lays ahead for your children but we know it is going to be a positive one filled with new experiences and a lot of excitement and fun.

New staff

A huge, warm welcome also goes out to our new staff who are joining us this term

Mrs Millward—who will be acting deputy head during Miss Smiles' maternity leave.

Mrs Burnside—who is teaching in Storey Class.

Mrs Moore—who is working with Mrs Shepherd in Spider Class

Miss Perkins—who will be working as a cover supervisor across the school

Mrs Auluck—who is a new TA support currently in Ladybirds Class

Independent Catering

Welcome to our new catering team, Independent Catering. We are looking forward to this first term working with Independent and, more importantly, we are all looking forward to digging in to their delicious looking menu.

American Themed lunch day

On Thursday October 3rd our new caterers are holding an American Themed Lunch Day for all of our Upland children. Letters have gone out to all parents/carers via ParentMail and there are copies in the reception area so please do sign your children up for this special event, even if they usually have packed lunch on this day.

It is a wonderful opportunity to try the new food and enjoy the themed day with all of their friends.

Meet The Teacher

Meet The teacher runs from 9th—13th September. All sessions are from 2:45pm-3:15pm. Please see ParentMail correspondence for the dates of your child's class or

ask at the school office.

End of the day

Can we please ask parents/carers to leave site promptly at the end of the day. In the interest of security we need to shut the gates as quickly as possible once classes are dismissed.

Also can we please ask that you do not let children play on any equipment or apparatus when you are collecting as it is not monitored and accidents can happen.

Thank you
