

Upland Primary School Newsletter

SPRING

Week 26: 27th March 2020

What a week!

Well it's certainly been a strange week but we have been persevering and getting on with things the best that we can, whether that may be in school with the small number of children we have had attending or in your home classrooms.

Here's to week 2 ahead. It's going to be just as strange but I'm sure we're all going to remain just as positive and just as determined!

Google Classrooms

Google Classrooms, for the most part, has been working successfully across year groups.

Please do remember that it is not a disaster if you do not have a printer, work can be completed onto notepads/paper and kept in a file to submit when we do get back into school. And please also remember that you need to be logged into your child's Upland Email account to access Google Classrooms.

If you experience any further difficulty or have not yet accessed Google Classrooms, please contact the school office we have login details for Google Classrooms and Times Tables Rockstars so don't hesitate to give us a call.

We are open

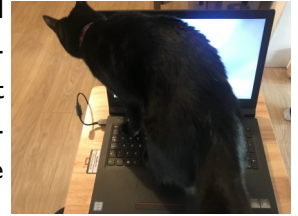

To everyone who took part in Joe Wicks' 9am workouts this week.

Well done!!

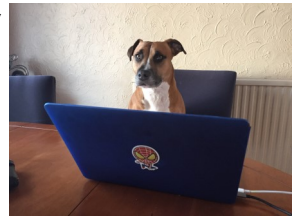

Tech support

If you have struggled with Google Classrooms, you're not alone! Even Mrs Corderoy has had some technical issues!

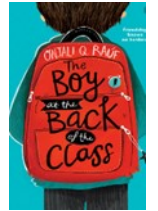

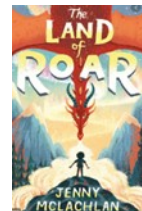

Thankfully... Mr Terry contacted Technical Support, who wagged into action and saved the day!

From Coach Jack

No news from Coach Jack this week as he isn't allowed out to play. Let's hope he's not getting into trouble at home playing football in the house! Mind the windows Coach Jack!
