

Upland Primary School Newsletter

Week 28: 24th April 2020

Important notices

- Dates will be added as and when we are able to.
- Weekly newsletters will continue to come out every Friday.

ParentMail communications will continue.

Confirmed dates:

- 7th May—INSET DAY
- 8th May—BANK HOLIDAY
- 25th-29th May—HALF TERM
- 17th—July—Last day of school—FINISH AT 1:30pm
- 20th July—INSET day, school will be closed

Difficult as it is to believe, it is actually the summer term! We hope everyone had a lovely Easter period and, in light of everything going on, allowed yourselves to indulge in one or two EXTRA chocolate eggs!

Obviously, there is not a lot of news to update you about on the current situation. We are still waiting to hear about exit strategies the same as you but like every member of our Upland Community, we have our fingers crossed.

In the meantime, we intend to keep work coming through to you on Google Classrooms, continue to entertain you as much as we can with and on top of the that, the sun is shining and summer time is here. So, despite everything going on, we shall get cracking with the summer term!!

Bank Holiday

If you're planning an isolation, social distance-friendly BBQ this May Bank Holiday then remember that it takes place on Friday 8th May this year and not a Monday!

This is coincide with VE Day celebrations... another day when we can be extremely grateful to others.

Be safe...

Be aware...

We are open

Google Classrooms

You should all be quite familiar with Google Classrooms by now but please do remember that if you experience any problems logging in or if there is anything you don't understand then please call the school office. The school remains open so there is always someone available to answer your questions.

Hitting a wall?

It could be starting to feel like days are merging into one and like you're running out of ideas and things to do with the children at home.

YouTube

Please do remember that, while there are plenty of tasks on Google Classrooms, there are also endless ideas online and on YouTube for ways to keep little ones entertained.

Stay active!

Do keep trying to maintain a little structure to the day and keep a balance between school work, playtimes and family time. It is tricky, especially as the situation goes on but please do use all resources available to you to help keep both yourselves and children happy and as active and occupied as possible.

Remember the essentials how that the weather is warming up!

To

Mr Bevan

For his enthusiastic performance in the Spring Chicken video.
