Well, unfortunately, the weather has taken a turn for the worse this week but it will not dampen our spirits! School remains open for key worker children and all of our staff are busy either covering in school, keeping the office open or checking in with you from home and marking Google Classroom work.

We hope everyone is keeping their chins up at home, getting through their work and finding time to relax and have their family time.

With a little luck this spell of wet weather will be over soon and the sun will be back with us!

We have added a Well-Being resources page to our website which is full of ideas, information and activities for you and your child to look at. There is a lot of very useful info and some lovely colouring sheets on the page so please go to our Upland website, click on the 'Our School' tab and follow the link in the sidebar to Well-Being resources to support COVID-19.

Spring back into reading

Last week we sent out a list of books for children to read from Mr Hill. Do take a look, there are some great reads on there! Check your ParentMails for the heading 'Spring Back Into Reading'

Peake Class and the big wave
