

# Upland Primary School Newsletter

Week 33: 5th June 2020

## *.If you are returning...*

Some of our Reception, Year 1 and Nursery children will be returning to us from Monday and, quite frankly, we can't wait to have them back!!

If your child is returning to school on Monday then please do observe social distancing guidelines. There are signs all around the school site and the building for your information and to make it easier for parents/cares, children and staff to follow the new rules and guidance for being in school.

Please do help us to keep the school site safe. We look forward to seeing those of you who have chosen to start back with us on Monday.

*Signs like this will be on display around the school. We have tried our very hardest to keep the school looking as welcoming and familiar as ever but please do talk to your children if they are returning on Monday and remind them about new behaviours and rules in school.*

## *Independent Catering*

Our kitchen team are back to school on Monday so please do remember, if you're child is returning and eligible for Free School Meals, we can offer a range of rolls for a packed lunch.

No hot meals will be being served.

## *Google Classrooms*

For those of you not returning to school on Monday, whether it is because you are choosing not to or because your child is not eligible, please remember that Google Classrooms is still in operation and is being supported by staff in school so your child will still be able to work from home.

## *The office & reception*

We are currently limiting access to the main reception area to one person at a time. Please adhere to the guidelines displayed around the front of the school regarding where to wait and how to approach the main reception desk. The signs are there for everyone's safety.

## *Remember the guidance in school.*

Please read the signs around the school

To

*The Whole Upland Team for a great week work!*

## *Be safe...*

*Be aware...*

*We are open*
